4-SESSION EVALUATION PERIOD INFORMATION

These 4 sessions are designed to introduce you to Septien Center for Artist Training and for you to introduce yourself to us. It is important that all artists maintain healthy expectations and attainable goals before beginning an intense vocal study program. During your 4-week evaluation, your vocal abilities, expectations, and goals will be evaluated by one of our vocal coaches. At the conclusion of your evaluation period, you will be given a written critique of your progress and we will discuss attainable goals. Based on your performance, style of music, vocal technique, work ethic, drive, and expectations, your coach will recommend one of the following:

- 1.) Continue at Septien Center for Artist Training under a private vocal study contract (your coach may recommend another instructor who is more suited to your vocal style and abilities),
- 2.) Enroll in a Semi-Private class to help strengthen your technique with the option to study privately at a later date, or,
- 3.) It may be that Septien Center for Artist Training is not the right fit for you based on your expectations combined with your vocal ability.

FOR YOUR FIRST LESSON: You must come prepared to sing 2 songs of your choice.

MUSIC: Karaoke C.D, Sheet Music, or Charts for accompaniment. The track must not have a voice on it. If you are performing original works, you may accompany yourself.

DANCE/MOVEMENT: If you know how to dance, please chose a song that will allow you to showcase your ability.

DRESS ATTIRE: Wear work out clothes, not clothes for performance. You will be doing some workout exercises.

RESUMES/HEADSHOTS: If you have a headshot and resume, please bring 2 of them.

INTERVIEW: Please be prepared for an interview by your vocal coach about your past musical experience and what you plan on gaining from working with us. Also, bring a list of questions to ask the vocal coach doing your evaluation period.

PARENTS: Managers, Agents, and Parent(s) are encouraged to observe lessons.
