

SEG Song Writing Special!!

Write 4 songs in
one day!!!! \$250
per song!

Ready to get paid for your songwriting? Or do you just want to expand your talent to singing your own originals!

Learn how to write hit songs every month and colab with our pro writers from across the US! SEG will promote the top songs to **TV/FILM/ Game MEDIA** and other **TOP ARTISTS!!!**

Four songs: \$1000

- All songs in One Day!!!
- Receive all 4 songs to review
- Decide which song you would like to choose for your single!
- Price of single depends on how you envision the production!
- WORK WITH songwriters with placements in today's music!

What Can YOU Expect?

Our songwriters will sit with you the entire day until four songs have been drafted just for your voice style and genre!

SEG producers have beats ready to write to so that you can go home with four songs in one day! What then? You will receive a demo of the 4 colabs. Then you need to go home and think about which song would make the best single for your brand on social media!

What's Next?

SEG will get you ready for your next video shoot with original song content! Or your next Spotify hit! Wanna get your song on your favorite broadcast?

There are so many opportunities today with Internet TV from Hulu, Netflix, Mashable and 100's of others! They are all looking for content!
